

FOR IMMEDIATE RELEASE

Halfmoon Records & Publishing in Collaboration with Julie Eigenberg, Releases Richard Corey's New Album Featuring Originals and Classics from Bob Dylan, A.P. Carter, and More

New York, NY – February 27, 2025 – Halfmoon Records & Publishing is proud to announce the release of singer-songwriter and painter Richard Corey's album **THE LAST LETTER**, now available on **Amazon Music, Spotify, Apple Music, and other major digital platforms**. The album showcases Corey's **original compositions** alongside fresh interpretations of **timeless classics** from legendary songwriters such as **Bob Dylan and A.P. Carter (The Carter Family)**, blending **storytelling, tradition, and raw emotion** into a compelling musical journey.

A Timeless Blend of Originals and Classics

Richard Corey's artistry shines through in his **original songs**, where his **poetic lyricism and evocative melodies** create an intimate and captivating listening experience. Alongside his own works, Corey honors the legacy of **some of music's greatest songwriters**, delivering heartfelt renditions of classics by **Bob Dylan (To Ramona, Love Minus Zero/No Limit) and A.P. Carter (Bring Back My Blue Eyed Boy, The Storms Are On The Ocean)**, whose contributions helped define American folk and country music.

Produced by Acclaimed Musician & Producer Julie Eigenberg

The album was produced by **Julie Eigenberg**, a **Grammy-winning songwriter, composer, and vocalist**, whose experience in **jazz, R&B, and Latin music** brings a refined and dynamic touch to Corey's recordings. Eigenberg's production captures the **rich textures and depth** of Corey's performances while preserving the **authentic, emotional essence** of his music. Julie joins Corey on the song **THE LAST LETTER**. Julie and Corey bring together their writing and singing skills to share the words Ethel and Julius Rosenberg sent to their children before their executions.

A Voice and Sound Rooted in Tradition

Richard Corey's **raw, heartfelt vocal delivery**, paired with his **mastery of the autoharp**, creates a **genuine and soul-stirring musical experience**. His **painter's eye for storytelling and detail** translates seamlessly into his songwriting, making each track as vivid as it is moving.

Where to Listen

The album is now available for streaming and purchase on **Amazon Music, Spotify, Apple Music, and other major digital platforms**, released under **Halfmoon Records & Publishing**.
