### **Verse 1:**

If at times you get to choose where you want to go  
Don't get used to thinking it will happen if you just say so  
You were wishing for a change of pace  
You're back in the same old place  
Better luck next time

### **Chorus 1:**

Better luck next time  
Better luck next time  
You just keep on tryin'  
Better luck next time

### **Verse 2:**

You might want to sugar-coat some of the words you say  
Just in case someone remembers them on judgment day  
You were hoping everyone would hear  
You thought you spoke loud and clear  
Better luck next time

### **Chorus 2:**

Better luck next time  
Better luck next time  
You just keep on tryin'

Better luck next time

**Bridge:**

Life can take you so high

Just go with the flow

If it's not what you want

There's always the next show

**Chorus 3:**

Better luck next time

Better luck next time

You just keep on tryin'

Better luck next time

**Chorus 4:**

Better luck next time

Better luck next time

You just keep on tryin'

Better luck next time

**Chorus 5:**

Better luck next time

Better luck next time

You just keep on tryin'

Better luck next time

Better luck next time

Better luck next time

Better luck next time
