I could give you all I possess

Everything I confess

But what you want

I never learned how to give

I could steal and give it all to you

It amazes me what I would do

But what you want

I never learned how to give

Well, I learned how to run

Tell the moon from the sun

It's easier said than done

Jack of all trades

I could give you all the time I've got

Untie your Gordian knot

What you want

I never learned how to give

Well, I learned how to run

Tell the moon from the sun

It's easier said than done

Jack of all trades
I am a jack of all trades

You know me
Deep in my soul
And you show me
Teach me to give

I could give up my greatest ambition
Ride out on a holly mission
What you want
I never learned how to give

I could give you all the time I've got
Untie your Gordian knot
Oh, I never learned how to give

Well, I learned how to run
Tell the moon from the sun
Easier said than done
Jack of all trades
I am a jack of all trades
I am a jack of all trades
But a master of none
Jack of all trades

I never learned how to give

But you could teach me how

I think I'm ready now
