I call a kiss a kiss

Passion by its name

Sometimes words are hard to find

Yet it's all so clear in my mind

How I feel

That's how I feel about you

That's how

I call a smile a smile

Tenderness by its name

Sometimes

Clouds around a feeling

Like haze around the moon

That's how I feel about you

That's how I feel about you baby

That's how I feel

Why not call this

Love

Why not call this

Love

Why not call this

Love

Give this the name of love
For a keepsake
For a keepsake
A chance I'm willing to take
Why not call this
Love

I got to let you know
If you should go
Sometimes words scare you away
There's nothing to fear from what I say
That's how I feel about you
That's how I feel about you baby
That's how I feel

Why not call this

Love

Why not call this

Love

Why not call this

Love

Give this the name of love

For a keepsake

For a keepsake

A chance I'm willing to take

Why not call this

Love

No one can say if this will last
Love is unpredictable
Careful the future owns the past
Anything, anything is possible
Never too soon, never too late
What will be will be

Why not call this

Love

Why not call this

Love

Why not call this

Love

Give this the name of love

For a keepsake

For a keepsake

A chance I'm willing to take

Why not call this

Love

Give this the name of love

For a keepsake

For a keepsake

A chance I'm willing to take

Why not call this

Love
