

“Loving You” Lyrics

Music and Lyrics by Jean Louis Marcel Pedat aka Jay Elle (ASCAP)

I've been searching
For someone like you
Someone to give all my love to
I've been searching
Now you're here
It was magic when you appeared
Don't you worry
Have no fear

Loving you is all I wanna do
All I've been doing is dreaming of you
Don't go
You won't be sorry
Stay with me

I've been searching for so long
I'll never do you wrong
I'll always be true
I'll do anything for you
Every day and every night
Don't you worry
I'll be by your side

Loving you is all I wanna do

All I've been doing is dreaming of you

Don't go

You won't be sorry

Stay with me

I'm not like the other boys

My feelings are true

I know you were made to be mine

So please give me a chance

Don't you worry

You won't regret it

Loving you is all I wanna do

All I've been doing is dreaming of you

Don't go

You won't be sorry

Stay with me

Loving you is all I wanna do

All I've been doing is dreaming of you

Don't go

You won't be sorry

Stay with me
