A Bm

She's so fine

D A

She's so fine

A Bm

She's so fine

D A

She's so fine

**Verse 2:**

Thought I'd keep my wits about me

Keep it low key

Under control

The way I used to roll

**Chorus 2:**

But since she walked into my life

I'm a wreck

It's a jumble

And I tumble

And it's pure mayhem  
I'm losing it  
Faking it  
Bumbling my way through it down in a pit  
Falling apart  
My heart's a piece of modern art  
She's so fine  
She's so fine  
She's so fine  
She's so fine

**Verse 3:**

It's not like she's made of ice  
She's all things nice  
Sugar and spice  
In time I will suffice

**Chorus 3:**

But since she walked into my life  
I'm a wreck  
It's a jumble  
And I tumble  
And it's pure mayhem  
I'm losing it  
Faking it  
Bumbling my way through it down in a pit  
Falling apart  
My heart's a piece of modern art

She's so fine

She's so fine
