Here’s to the friends I left behind
The ones still standing by
To the loves I loved too fast
Here’s to you hoping that’ll you last

I think of the times I missed the boat
Reaching for the pennies in the lining of my coat
Counting all the many times I was taking for a ride
Yet I am not about to hide

‘Cause it’s a game of give and take
It’s only life and love at stake
And If I had a second chance
I would want the life I’ve lived
I would want the life I’ve lived

Here’s to the dreams yet to come true
The ones with me and you
Counting all the could-have-beens long, long gone
And all that’s left to be done

‘Cause it’s a game of give and take
It’s only life and love at stake
And If I had a second chance

I would want the life I've lived

I would want the life I've lived

It's a game of give and take

It's only life and love at stake

And If I had a second chance

I would want the life I've lived

I would want the life I've lived

'Cause it's a game of give and take

It's only life and love at stake

And If I had a second chance

I would want the life I've lived

I would want the life I've lived

The life I've lived
