Verse 1:

Perfect as she is

On any day

She will surprise like the month of May

Perfect as she is

A smile and a wink

Fevers and shivers wrapped up in a wink

Chorus 1:

Do you want me? She says

Can you take me? She says

Will you stay always?

You go ahead

Take your time

Don't come back

'Till you're sure that you want me

'Till you understand

That if you want me to want you bad

Then want me bad

Verse 2:

If I take you home

Will you hang your hat?

Who the hell wants another cat?

If I take you home

My one and only

Will I ever be lonely?

Chorus 2:

Do you want me? She says

Can you take me? She says

Will you stay always?

You go ahead

Take your time

Don't come back

'Till you're sure that you want me

'Till you understand

That if you want me to want you bad

Then want me bad

Bridge:

Are you just passing by?

Staying more than a day?

Wanting me all

So bad

To runaway

Verse 3:

If I take you home

Will you hang your hat?

Who the hell wants another cat

Chorus 3:

Do you want me? She says

Can you take me? She says

Will you stay always?

You go ahead

Take your time

Don't come back

'Till you're sure that you love me

'Till you understand

That if you want me to want you bad

Then want me bad

Then want me bad

'Till you understand

That if you want me to want you bad

Then want me bad

Then want me bad
