

## **“Worthy” Lyrics**

Music and Lyrics by Jean Louis Marcel Pedat aka Jay Elle (ASCAP)

I am quite amused  
But you must be confused  
If you think your misty kiss  
Could ever get my lips  
To do back flips  
For a taste of your blended bliss

Dance  
Dance  
Dance for the rain  
To fill up your well  
And drown out hell

If you wanna break apart  
The levees in my heart  
Drench the gates to ecstasy  
Bring on a flood  
Noah’s Ark Worthy

We all show a shade of used  
Tribal tint of abuse  
Once or twice but we must change  
Not new or old style  
Love simply worthwhile  
Or we’re bound to be estranged

Dance

Dance

Dance for the rain

To fill up your well

And drown out hell

If you wanna break apart

The levees in my heart

Drench the gates to ecstasy

Bring on a flood

Noah's Ark Worthy

If you wanna break apart

The levees in my heart

Drench the gates to ecstasy

Bring on a flood

Noah's Ark Worthy

Bring on a flood

Bring on a flood

Bring on a flood

Noah's Ark Worthy
